State Teams Collaboration: Key Takeaways and Next Steps

Tuesday, June 27, 2023

4:45 -5:15 PM

Moderator: John Carrese

Panel Members

V. Celeste Carter, Ph.D., Program Lead, Advanced Technological Education, National Science Foundation

Karla Talanian, Chief Education & Workforce Officer, Advanced Regenerative Manufacturing Institute/BioFabUSA

Linnea Fletcher, Ph.D., Biotechnology Department Chair, Austin Community College, and Director, InnovATEBIO National Biotechnology Education Center

Liisa Bozinovic, Executive Director, Oregon Bioscience Association; Chair, Coalition of State Bioscience Institutes (CSBI)

Key Takeaways and Next Steps (30 min.)

1. What were your key takeaways from today?
2. Did you have any new insights or “Aha!” moments today as you observed the State Teams working together and sharing out?
3. Going forward, what are the biggest opportunities you see for State Teams to build more successful Biotech Workforce Ecosystems?
4. What are some specific ways the InnovATEBIO Center can support State Teams working on common challenges and priorities?

Day 2 Survey
